### Centre offering the programme

As enshrined in the Tezpur University Act 1993, one of the prime objectives of the University is "to pay special attention to the improvement of the social and economic conditions and welfare of the people". Further, the Eleventh Plan Document of the Planning Commission emphasizes how institute s of higher education ought to extend its resources and services towards community development. Towards achieving this, Tezpur University has established The Centre for Inclusive Development (CID) as an umbrella organization comprising the Equal Opportunity Cell, ST/SC Cell, and the Training and Placement Cell which have a good deal of functional commonality. It is envisioned that an invigorated approach to this purpose would be achieved by consolidating the activities and collating the humane and intellectual resources of these three cells. Headed by its Director, the Centre is intended to act as a catalyst to holistic development of students and an interface between Higher Education and Community Development.
