ASSIGNMENT FOR SEMESTER END EXAMINATION, SPRING 2026

Course Code- MAMCD / MMC 204 P

Last date of receipt of reports in requisite format: As mentioned in the website

Work on the projects given below for the completion of the course.

20 x 5=100

1. Make any one of the two audio-visual (AV) productions as given below and upload it on YouTube. Submit the assignment in MP4 format along with the printout containing a summary of your production.
 - a. Produce a 5-minute-long audio visual (AV) and upload it on YouTube and submit through a pen drive.
(Tips/ How to do it? Ideate a story, shoot in sequences, and tell the story through people and natural sound)
 - OR
 - b. Make a report and produce a feature story for Radio or Television and upload the same on YouTube and submit through a pen drive.
(Present a News story for radio or television in the following forms: Newsflash/ Interviews/Voice Report/Newsclip)
2. Write any one of the two articles on any current issues or upcoming events and try to publish them. Submit the hard copy of the articles.
 - a. Write a depth story with explanatory facts addressing a larger issue of the following.
(Issues/Themes: Education/ Arts and Literature/ Science/ Business and Economic Affairs/Films and Show Business/ Sports)
 - OR
 - b. Write a feature article on any topic of your choice that people instinctively want to know.
3. Create a blog, write a story on any topic of your interest and publish it in the blog. Submit the story and the blog link through a hard copy (printed form).

4. Make a photo story by using the mobile phone camera. Submit hard copy (printed form) of the assignment.
(Tips/How to do it? Take an issue or theme. Show with pictures, many sides of an issue and look for the human side of the story. Take photographs (5 to 10) and outline the depiction of each photo. The photo story should not merely be the collection of photographs.)
5. Write a term paper on any topic relating to Media, Communication, and Journalism. Discuss the topic for the term paper from your mentor before working on it. Submit the hard copy (printed form) of the term paper.

NB: Make a folder according to the question number and submit in one single pendrive. Mention your name and roll number in pen drive.
