Course Name- COMMUNICATION RESEARCH METHODS

Course Code- MMC 302

Full Marks= 30

Answer the Following Questions:

2×15=30

1. Access the Shodhganga portal of University Grants Commission and prepare a detailed list of research projects completed in the domain of mass communication and media in the last about two / three years. Also try to make the list category-wise – that is similar or related research topics under one column and universities where they originated.
2. Make a list of five research journals of high global reputation in our domain. Find out their emphasis areas of research in the last about two years or at least four issues each whichever is convenient.

NB: All questions as per instruction are to be mandatorily attempted.
