ASSIGNMENT FOR SEMESTER END EXAMINATION, SPRING 2026

Course Name- RESEARCH METHODOLOGY

Course Code- MSO 401

Full Marks= 30

Answer the Following Questions:

2×15=30

1. Critically discuss logical positivism as a sociological and philosophical approach. How does it differ from the positivism of Auguste Comte?
2. Compare and contrast bivariate and multivariate analysis in terms of their characteristics, applications, and significance in sociological research.

NB: All questions as per instruction are to be mandatorily attempted.
